

January 2017

Dear Potential Vendor / Exhibitor,

Enclosed is an application for the 2017 Whidbey Island Fair, which will be held **JULY 20 – 23**.

Please be aware that this application does not guarantee space in the Fair. ***No deposit money should be returned with the application.***

In the past, space availability was determined by the number of vendors invited to return from the previous year's Fair. Please adhere to the deadlines listed on the application for returning and new vendors.

As a potential new vendor, please enclose pictures or brochures of your product, pricing details and a photo of your booth set-up with your application. Only completed applications will be reviewed.

Because ours is a small fair, we try to provide as much variety as possible, avoid duplication and reserve the right to select the types of product contracted. In the event we are unable to accommodate you with space, you will be notified in writing.

Thank you for your interest in our Fair!

Sincerely,

Carol Coble
