

January 2018

Dear Returning Vendor / Exhibitor,

Enclosed is an application for the 2018 Whidbey Island Fair, which will be held July 19 – 22.

In order to guarantee your space as a returning vendor, booth fees must be included with your application. Since we recognize the economic reality today, you may elect to send half the fee now and the remainder by **May 1<sup>st</sup> to avoid a \$25 late fee.**

Our outside booth configuration will remain similar to that of last year and is dependent on the number of outside vendors accepted. We will attempt to place you in the same location.

Please note on your application if you would like your location changed. The same holds true for spaces in the Turner Building. If you wish to upsize from a 4x8 or downsize from a 9x12, please let us know. In the event we are unable to accommodate you with space, you will be notified in writing.

Thank you for your continued interest in our Fair! We look forward to your participation again in 2018.
