

Welcome, 4-H'ers, Leaders & Parents

Through the amazing effort and dedication of our youth and volunteers, we are almost ready, once again, for the Whidbey Island Fair, where we can share our hard-earned knowledge, experience and love of our projects with our community.

As youth, you have nurtured your project, be it art, technology, or animal related. Along the way, you have developed skills in many areas, including finance, management, communications, and citizenship. You have volunteered in the community and learned leadership skills. You have worked very hard and should feel great pride in your accomplishments.

As leaders, volunteers, and parents, you have given countless hours to help our youth follow their dreams. You have taught them patience and perseverance. Your dedication to creating opportunities for healthy youth developments is second to none.

An enormous "thank you" goes out to each and every one of you who have worked so hard to see the 4H continues to thrive here on Whidbey Island. It will be truly exciting to see the fruits of all your hard work come together at the Fair.

Cathi Mann-Fisher

Youth Development 4H Program Coordinator

Dr. Timothy Lawrence

Director, WSU Extension/Island County

Michael Wallace

WSU Extension Regional Specialist

See You at the Fair!
