RESPONSIBILITIES OF SUPERINTENDENTS

Each Superintendent, under direction of the Superintendent of Superintendents, shall have full charge of the department to which he or she may be assigned and exhibitors must follow his or her directions relating to placement of exhibits, showing, etc. The Superintendents will direct calling of classes for showing in accordance with printed schedules as far as practicable. Each Superintendent will:

1. Make arrangements for his/her department's space and fixtures. Make a complete list of all necessary equipment and supplies for the department and submit the list to the Superintendent of Superintendents.
2. Make no purchase of materials or equipment with the expectation of compensation from the Fair without prior approval from the Superintendent of Superintendents.
3. Make necessary changes or corrections for departmental premium book page(s) and submit them to the Fair Office by October 31, 2016 for the 2017 fair.
4. In NO WAY attempt to advise judges regarding exhibitors' scores, though they will act as judges' secretaries, as necessary, to record winners and distribute ribbons. Return computerized entry list to the Superintendent's (SOS) office for premium payment.
5. Make every effort to see that all awards are placed so that the item is clearly visible to fairgoers. In addition, every effort will be made to see that names of entrants are clearly visible.
6. Include educational material for the public in the exhibit describing how it is judged, how exhibits are selected, raised, prepared, etc. Exhibitors should be encouraged to enter educational displays (see Open Department 105).
7. Be responsible for accepting or rejecting all entries, and for checking out all entries in their respective departments. Superintendents have the right to refuse exhibits which, in their judgement, are not of high enough quality to put on public display. All entries accepted must be judged, except exhibits marked "Display Only." If overcrowded conditions exist, the right to display white ribbon entries is at Superintendent's discretion and/or Superintendent may limit the number of entries per exhibitor.
8. Ensure that the exhibit area is set up and decorated ready for opening day. Each Superintendent will arrange a cleaning day in the building with other Superintendents prior to accepting exhibits.
9. See that the exhibits are entered and arranged properly, do not have commercial advertising, business cards or pricing attached, and have all exhibits ready for the judges per their instructions.
10. Not accept entries after the prescribed time set forth in this booklet.
11. Not allow any exhibit, other than animals, to be removed from a department before Monday except exhibitors who live out of the area (must have claim ticket).
12. Be responsible for ensuring that all exhibits, equipment and supplies are removed from the building and returned to their proper place, including seeing that the building and grounds of their departments are thoroughly cleaned before leaving. Animal Superintendents will see that all cages or stalls are cleaned by the exhibitors, all decorations are removed and all planting materials (shavings, bark, etc.) used to enhance displays are pulled back from all wood structures.

STANDARDS FOR JUDGING FAIR EXHIBITS

TWO SYSTEMS OF STANDARDS ARE USED TO JUDGE EXHIBITS

DANISH SYSTEM: Each entry is judged against a standard. Entries are awarded a Blue Ribbon—Excellent; a Red Ribbon— Very Good; a White Ribbon—Good. Every entry receives a ribbon unless it has been disqualified.

AMERICAN SYSTEM: This system allows the judge to rank the entries in the order of overall quality. Each entry in a class is compared with other entries in the same class. Five to six ribbons will be awarded, depending on the class. Only one Blue Ribbon can be awarded in each class.
